

# Dental Visitation 2019 – An Overview

A brief overview of the launch process for both Trainers and Trainees

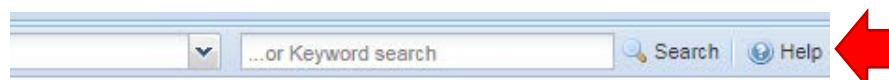

Date	Activity
01.05.2019	We open profiles to Trainers <b>only</b> .  Trainers will be able to pre-populate their profile and search for other Trainers, allowing them to create linked accounts if they so wish (usually reserved for Joint and Shared Trainers)
08.05.2019	We open profiles to Trainees too.  All search functionality <b>is removed</b> until Visitation opens. Trainees can familiarise themselves with their profile and pre-populate it if they wish.
17.05.2019	<b>Visitation Opens.</b>  Search functionality is now enabled for all, alongside the opening of the preference selection panel under Recruitment Forms on the left-hand menu.

## Further Guidance

**Your profile** can be accessed via the tab you will see when you log in, with your name on it. If it is not there, please contact [dental.recruitment@nes.scot.nhs.uk](mailto:dental.recruitment@nes.scot.nhs.uk)

Once you have logged into Portal, and have opened your profile, you will see a Help button top right-hand corner. You will find further detailed information here that we strongly suggest you read.

## However

If you cannot find what you are looking for, or have any other questions, then please contact [dental.recruitment@nes.scot.nhs.uk](mailto:dental.recruitment@nes.scot.nhs.uk)
